Recitation:

You know, every now and then I think you might like to hear something from us nice an' easy.
But there's just one thing. You see, we never ever do nothin' nice an' easy.
We always do it nice an' rough.
Now, we're gonna take the beginning of this song and do it easy.
But then we're gonna do the finish rough.
That's the way we do "Proud Mary."
